

Support to Thailand International Partnership for Development (IPDP)	
Project Description	This programme is designed to draw UNDP cooperation in supporting the Government's efforts to contribute to the global partnership for human development called for in Goal Eight of the Millennium Development Goals. The programme supports new initiatives to enhance South-South cooperation between Thailand and developing countries within the region and beyond, and aims to strengthen the effectiveness and coordination of Thailand's Official Development Assistance (ODA), in line with global efforts to increase aid effectiveness.
