

(as of 30 Dec 2008)

Support to Alignment of National Biodiversity Strategy and Action Plans (NBSAP) with the Convention on Biological Diversity (CBD) Obligations and Development of Clearing House Mechanism (CHM)

Project Description	The project facilitates Thailand's assessment of its capacity and existing knowledge about biodiversity. It will identify gaps, and prepare an action plan to close those gaps by strengthening national capacity, and to align the National Biodiversity Strategy and Action Plans (NBSAP) with the Convention on Biological Diversity (CBD) obligations.
Project Document	The project is related to Outcome 2 in the Country Programme Action Plan: Increased capacity of national focal points in addressing policy and removal of barriers in pursuing local sustainable management of natural resources and environment in selected ecosystems and promotion of area-based renewable energy application.
Corporate thematic area	Environment and energy
Status of the project	On-going
Location	Thailand
Period of the project	May 2008- December 2009 (18 months)
Name of UNDP Programme Officer	Ms Phansiri Winichagoon
